

WACS SOUTH EUROPEAN REPORT : MARCH 2005

Dear Colleagues

EVENTS

The Malta European Presidents meeting went very well and it was a productive session of work. The minutes will be sent by Klaus Meyer so I will not go into detail.

I would like to thank the Malta Chefs Association for they hospitality and work for putting up a great meeting.

I think most of all this meeting can guide us, European Directors, into the fields most needed and prioritize our work.

The next meeting will be confirmed but it looks like it will be in Budapest in October.

The Mediterranean regions present: Malta, Italy, Cyprus and Portugal had a meeting to forwards ideas of a common ground to develop sinergies. Little came out but ideas to work on so I urge these countries and the ones not present to forwards ideas we could work on together to enhance the main points like Education.

For now that is all I have

Keep it Cooking
